Booking and boarding services

Airline ticket number search

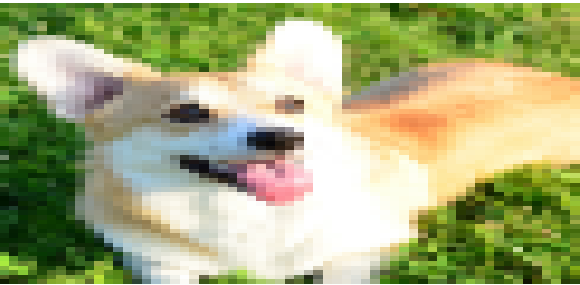

You can search for your ticket number again here.

Customers who would like assistance

We are here to help ensure that customers with disabilities, illnesses, or injuries can travel with peace of mind. Please register your situation and any wheelchair usage requests by clicking the "Apply" button. You can find more details on [the details page](#) .

*Customers who have already registered for the Special Assistance Service do not need to apply again.
*For inquiries made after 5 PM the day before your flight, please contact [our customer service desk](#) .

Pet-friendly travel services

We will take good care of your beloved pet, a member of your family, until you arrive at the airport. Please see [the details page for more information](#) .

JAL Domestic

Travel Insurance
Easily sign up when you book your flight. It provides protection against various troubles, including injuries during travel and damage to your belongings, not just at your destination.

Information

- [Regarding seat reservations](#) (There are a limited number of seats that can be reserved in advance.)
- [Regarding your luggage](#)
- [Request to Passengers \(Domestic Flights\)](#)
- [Regarding changing or canceling reservations on the JAL website](#) (There are limitations on what can be done on the website.)

 Please note

- Departure and arrival times, flight numbers, aircraft type, aircraft model, airline, crew, fares, and seating arrangements are subject to change without notice.
- Due to seat adjustments at the airport, your assigned seat may differ from the one you initially selected.

About the display

- Information regarding boarding gates and exits will be provided starting the day before departure. Please note that boarding gate information is subject to change.
- Flights you have already taken may not be displayed.

No membership fee or annual fee.
